

Mercury HP 500/HP 500 EFI/525/600

CORSA Performance offers custom designed systems to your specifications. We have systems to fit 11° to 17° transom angles. Please specify when working with our Sale Engineers.

DIVERTERS

Part #	Description
13139	Polished Diverter for HP motor with CMI tubular manifolds - Vertical Shaft
13139H	Polished Diverter for HP motor with CMI tubular manifolds - Horizontal shaft
13146	Polished Diverter for HP motor with Bravo Drive & low rise Tail pipes
13148	Polished Diverter for HP motor with Bravo Drive & high rise Tail pipes (1999+)

Prices include cost to modify customers tail pipes & wiring harness.
Pipes must be shipped to CORSA in advance and will be returned with system.
Both 13136 & 13148 require modification for GIL manifold/tailpipes.

QUICK & QUIET PLUS™ KITS (MUFFLERS & DIVERTERS)

Part #	Description
1630CMI	Polished Diverter w/ ASR 6.5" Tunable Silencer Tips for CMI tubular manifolds
1630	Polished Diverter w/ ASR 6.5" Tunable Silencer Tips for low rise Tail pipes
1638	Polished Diverter w/ ASR 6.5" Tunable Silencer Tips for high rise Tail pipes

Prices include cost to modify customers tail pipes.
Pipes must be shipped to CORSA in advance and will be returned with system.
Both 1630 & 1638 require modification for GIL manifold/tailpipes.

QUICK & QUIET II™ KITS (MUFFLERS & SPLITTERS)

Part #	Description
1230CMI	Polished Splitter w/ ASR 6.5" Tunable Silencer Tips for CMI tubular manifolds
1230	Polished Splitter w/ ASR 6.5" Tunable Silencer Tips for low rise Tail pipes
1238	Polished Splitter w/ ASR 6.5" Tunable Silencer Tips for high rise Tail pipes

Prices include cost to modify customers tail pipes.
Pipes must be shipped to CORSA in advance and will be returned with system.
Both 1230 & 1238 require modification for GIL manifold/tailpipes.
